25X

4. The Junior Officer Trainee is required to report through his supervisor to the C/JOTP at the end of the first, second, fourth, sixth, and ninth months of his attachment on (a) the type of work he is performing, (b) the manner in which he is being supervised, and (c) plans for changes in his attachment or special training that may be required in the future. A member of the Staff of the JOT Program will consult from time to time with the JOT's supervisor on his progress and development.

25X

5. It is requested that [redacted] handle the T&A record on [redacted] Any leave which the Trainee may wish to take is to be arranged with his supervisor before approval is requested from the C/JOTP. Overtime will not be paid by the Office of Training unless it has been requested by the supervisor and approved by the C/JOTP prior to the performance of such overtime.

25X

25X

6. It is requested that [redacted] prepare a statement of the training program which they will provide for [redacted] and indicate the nature of the work which he will be doing and the manner in which it will aid his development as an intelligence officer. This training program should be forwarded to the C/JOTP at the earliest possible time.
